

You will want to be aware that because my family is among the network that from 16 November to 23 November was publicly discussing “responding to insubordination” about illegal orders,

[Very convenient that the military was deployed to Miami Beach this morning]

This puts Hegseth in a moderately difficult dilemma
The situation here appears to be that, given that
Hegseth knows that Gossett’s friends and Donald Trump are
trafficking Air Force, Department of Defence and Energy
And National Institutes of Health data to foreign counties
His written U.S. Code instructions are to have them imprisoned
But Donald Trump said that anybody that maintains these
Laws is to be executed [he was talking about those exact laws].

- Gossett: One hour within writing (first time ever)
- Federal bribery: within one hour (first time ever)
- Clothes: Within one hour (both parents)
- Summer and 1122 detailed East Asia and later Australia (Kanye West was banned or travels there)
- A democrat —elected in Miami —military arrives in less than 72 hours.
